As part of the Enchanted Forest Art Therapy Volunteering in Belize, you will work with a lead artist from Mexico who has created some artwork with road kills and natural materials. The initiative combines art and landscaping with the creation of artwork through natural resources, creation of a meditational area, bringing the forest area to life and allowing an escape to reality as a type of therapeutic treatment.

the enchanted forest story in the 60's. Roger, father of four young children, realized there was very little for a family to see and do together in Oregon. He formulated the idea for a theme park where he could use his creative talents and though he had very little time or money to make his dream a reality, he persisted anyway.
