Balkan Identities Nation And Memory

The essays in *Balkan Identities* grapple with three major problems: the construction of historical memory, sites of national memory, and the mobilization of national identities. While most essays focus on a single country (e.g. Croatia, Romania, Turkey, Cyprus, Albania, Serbia, Bulgaria, Greece, Macedonia), they are in dialogue with each other and share an opposition to rigid isolationist identities.

The contributors to *Balkan Identities* focus on historical memory, collective national memory, and the political manipulation of national identities. They refine our understanding of memory and identity in general and explore and assess the significance of particular manifestations of Balkan national identities and national memories in the region."--Jacket.

Balkan identities : nation and memory (Book, 2004 ...

Synopsis This work states that the only way to overcome history is to intimately understand it. It focuses on historical memory, collective national memory, and the political manipulation of national identities. It also assesses the significance of particular manifestations of Balkan national identities.

Balkan Identities: Nation and Memory: Amazon.co.uk ...

Because memory is not just an individual, private experience but is also part of the collective domain, cultural memory has become a topic in both historiography (Pierre Nora, Richard Terdiman) and cultural studies (e.g., Susan Stewart). These emphasize cultural memory's process (historiography) and its implications and objects (cultural studies), respectively.

Cultural memory - Wikipedia

Greek island of Halki. It concentrates on national memory (individual, communal, national) and national identities in the Balkans, as articulated in historical narratives (and oral histories), national heroes, monuments and celebrations, history textbooks and political discourses. The editors introduction eloquently argues against any
