BODYGUARD OF LIES. By Anthony Cave Brown. (Harper & Row, New York, 1975. 947 pp.) The rather improbable title of this book — an outstanding example of what might perhaps best be described as scholarly investigative journalism applied to the field of oral 1 military history — finds its origins in the following Churchill quotation:

A narrative of intelligence coups during WW II, which Brown sees as a fight against the upstart Hitler led by an alliance between American football players and that ""group of men who represented the aristocratic cream of a caste of blood, land and money."" As everyone knows, the football players took almost everything after the war, but at least until D-Day the British upper class played a ...
