Bone Magic Winter Wayne Book

Bone Magic, the third installment of D.N. Hoxa's Winter Wayne series, doesn't disappoint. After taking on Hedge witches, Winter finds herself face-to-face with the last person she expected to see again, Julian Walker. Winter is still trying to find her place in the world, and fight against the prejudices against fairies.

Oh Dear Lord am I ever loving D.N. Hoxa's Winter Wayne series and now, in Bone Magic (Book 3) things just keep on ratcheting up for our poor heroine (so superbly drawn with her super enjoyable complexities, quirks and flaws). No time for setting down after finding her near dead love Julian on the floor of her office.

I really enjoyed reading this book by D.N Hoxa, this story is about Winter who is a Bone Witch but without the powers. Everyone is against her and when a job that she's on goes wrong then everyone blames her and is after her. Well written storyline and there's twists and turns everywhere you look and plenty of action.

Winter Wayne Series by D.N. Hoxa - Goodreads

Bottom line: DN Hoxa's Bone Prison (Winter Wayne Book 5) is a wonderful addition to a fantastic series, and easily worth five stars. This was one truly fun novel and definitely recommended. It had just what I wanted, was well written, with excellent world building and a great plot full of magic and adventure.

Format: Kindle Edition Verified Purchase Hoxa seems to specialize in tough, gritty heroines and Winter Wayne is no exception. With this book the reader gets a slightly different slant on a paranormal where where paranormals live cheek by jowl with humans. FYI don't expect a love happily ever after ending because you won't get one here.

Winter is an outcast due to the fact that she's half witch-half fairy; which she didn't find out until she was an adult and tried to access her full Bone witch powers. She is super powerful but has to keep it a secret, and is still learning how to use her powers since she just came into them about a year ago.

Bone Witch Publisher's Summary My name is Winter Wayne, and I'm a Bone witch - minus the magic. I used to work in the only place in Manhattan that had use for a witch with very little magic - like me - until my boss kicked me out over a job gone bad (not my fault, I swear). Pure boredom and the lack of company got to my head fast.
