The worst broken windows are often people. That means an employee who is not on board with the needs and expectations of the company's consumers can do immeasurable damage and is a broken window of the most urgent variety. Bad service is inexcusable. Bad service, no matter how good the rest of the factors may be, will always sink your business.

### Broken Windows Broken Business

Poor customer service is the ultimate broken window because customer service is the one thing that every business must deliver to its consumers. A breach of that trust, an employee whose actions indicate that he or she is not interested in the customer's concerns, is as blatant and damaging a broken window as you can imagine.
