Jay is because she has the overall same vision as I do: to help 20-somethings live a more fulfilling life. You see, your twenties really are such a defining decade. They are the years that you set up your life for success.

My Honest Review of “The Defining Decade” by Meg Jay

The Defining Decade. Our “thirty-is-the-new-twenty” culture tells us that the twentysomething years don’t matter. Some say they are an extended adolescence. Others call them an emerging adulthood. But what if thirty is not the new twenty? Meg Jay argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most transformative period of our adult lives.
