I applied online. I interviewed at Genetec. Interview. Phone interview: About 30 min of questions and answers with the HR incharge. Panel interview: With 4 of the Sales team including the Team management, Team leader and Team member. Presentation: About a past project I'd done, what I did and what difficulties I had and how I'd solved.

Genetec Interview Questions | Glassdoor

There was an online technical aptitude test and two phone interviews. Asked many very technical questions regarding network protocols. Definitely do some research about Genetec because they will ask about what you know about them, product lines / names. Wanted very specific answers to what I had previously worked on, brands and even model numbers.
