Glad Sentence Patterning Chart

This GLAD strategy works wonders for all students, but especially for students who are English language learners or students who are struggling in writing. When developing sentence structure, sentence patterning clearly conveys how a noun and verb work together in a sentence and how adding descriptive words, such as adjectives and adverbs, and expanding sentences [...]

One of our favorite strategies is the Sentence Patterning Chart (SPC) or also known as the Farmer-in-the-Dell. It's an incredible way to teach academic syntax, grammar, and learn the natural rhythm of language in a fun way. This is an extension activity after the chart is built and the Read Game has been done. It's called the "Trade Game"

Sentence patterning charts are charts that include separate columns for adjectives, nouns, verbs, adverbs and prepositional phrases. The teacher and students combine words from the charts to make sentences and "sing" the sentences to the tune of Farmer in the Dell. 1. Students are in proximity to the teacher and can all see the chart and teacher. 2.
