This book offers the first systematic analysis of lordship in southern Italy in the twelfth and thirteenth centuries, under the Norman, Staufen and early Angevin kings. It offers new interpretations of the powers of the nobility, and of rural societies and royal policy. It reveals the complexity of interactions between the king, nobles and peasants, and how they occurred and were expressed through laws and violence, feudal relations and economic investments, debates on freedom and serfdom ...

The Principality of Galilee was one of the four major seigneuries of the crusader Kingdom of Jerusalem, according to 13th-century commentator John of Ibelin. The direct holdings of the principality centred around Tiberias, in Galilee proper, but with all its vassals, the lordship covered all Galilee and southern Phoenicia. The independent Lordship of Sidon was located between Galilee's holdings. The principality also had its own vassals: the Lordships of Beirut, Nazareth, and Haifa. The principa

The Lordship of Sidon (Later County of Sidon) was one of the four major fiefdoms of the Kingdom of Jerusalem, one of the Crusader States. However, in reality, it appears to have been much smaller than the others and had the same level of significance as several neighbors, such as Toron and Beirut, which were sub-vassals.
