machine manuals, service manuals, parts lists and instructions that could be located. It is not, nor ever will be, complete but we will endeavour to update it when new sources come to light.

### **Downloadable Sewing Machine Manuals**

Phoenix sewing machines were made at the 'Nähmaschinenfabrik Baer & Rempel' in Germany. The Class 82 model was introduced in 1948, at the height of allied disdain for all things German. This might explain why the words 'Made in Germany' were painted over on this machine, although this particular machine dates from 1952, according to the printer's code on the back of the instruction manual.
