In many ways, the ISEE and SSAT are very similar tests. After all, the ISEE and SSAT have a similar purpose: to help your student gain admission to a private school. They also test similar content. That said, there are five key differences between the ISEE and SSAT. Let's take a look at them. #1: Score Report

Going to bed early at least two nights before the test will result in a rested and alert test taker. Eating a protein-filled breakfast the day of the test will also jump-start the brain and optimize performance. It's also suggested that students do not practice for the ISEE the day before the test.
