Hi! I'm Dave the Document. I'd like to welcome you to the Introduction to Information Security course. During this course you will learn about the DoD Information Security Program. This course will provide a basic understanding of the program, the legal and regulatory basis for the program, and how the program is implemented throughout the DoD.

Introduction to Information Security

This course provides an overview of the National Incident Management System (NIMS). The National Incident Management System defines the comprehensive approach guiding the whole community - all levels of government, nongovernmental organizations (NGO), and the private sector - to work together seamlessly to prevent, protect against, mitigate, respond to, and recover from the effects of incidents.

Middle-schooler Mayuki wants to enter Ohtomo high school to join her beloved senpai Akira. Problem is: her grades are so terrible there's no way she can make it into such a high level school. Thus her mother hires a high school girl named Rin as a private teacher to help her daughter. Seeing how the girl looks so much more mature than her, Mayuki ends up asking Rin to teach her more than just ...
