Stuff Daniel Miller

Professor Miller develops his dialectical theory of material culture with enviable clarity. Readers are encouraged by his captivating style and lightly-worn scholarship to the frontiers of the subject: they will never look at their stuff in the same way again." Ray Pahl, University of Essex From the Inside Flap

Daniel Miller Things make us just as much as we make things. And yet, unlike the study of languages or places, there is no discipline devoted to the study of material things. This book shows why it is time to acknowledge and confront this neglect and how much we can learn from focusing our attention on stuff.
