In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

The 7th Victim Karen Vail

The 7th Victim was supposed to be Karen Vail's lone novel. I did several years of research with the FBI Behavioral Analysis Unit, which included working closely with two senior FBI profilers; attending numerous FBI training conferences; editing four published FBI research papers on serial offender behavior; and making repeated trips during a 15 year span to the FBI
