### The Absite Review

Welcome to the ABSITE Review Course This is a weekend (2-day) intensive review course, offered in November, December 2019 and January 2020. The course includes lectures on important topics in both basic and clinical sciences of surgery, and is based on the SCORE curriculum.

### ABSITE Review Course

This is an excellent book to assist with ABSITE studying. I used it as an adjunct with SCORE questions (there are lots of Q banks you can choose from), so that I had a quick reference to make sure I covered all important topics in any one category. I previously owned the 5th edition and I was very disappointed with the many errors in the book.

The ABS offers annually to general surgery residency programs the In-Training Examination (ABSITE ®), a multiple-choice exam designed to measure the progress attained by residents in their knowledge of applied science and management of clinical problems related to surgery.

### ABS In-Training Examination | American Board of Surgery

For years, general surgery residents have relied on The ABSITE Review for a comprehensive, memory-prompting approach to exam preparation. The Fifth Edition continues to use a streamlined outline and list format to effectively prepare you for certification or recertification with the American Board of Surgery In-Training Examination.

### The ABSITE Review 5th Edition, (Ebook PDF)

Now in its Third Edition, The ABSITE Review is one of the most popular study guides for the American Board of Surgery In-Training Examination (ABSITE), which residents in general surgery must take each year and residents going into surgical subspecialties must take during the year of their general surgery training.

### The ABSITE Review by Steven Fiser - Goodreads

The ABSITE Review, 6th Edition, remains your #1 choice for effective, efficient review for this critically important exam. Written in a high-yield, memory-prompting outline format, Dr. Fiser's concise handbook covers every topic on the American Board of Surgery In-Training Examination, thoroughly updated for today's residents.

### The ABSITE Review - Lippincott Williams & Wilkins

\*Fiser's ABSITE Review was the first preparatory book written in outline style and surprisingly continues to be the only book of success in the market written in this style (most are Q/A). All facets of the test are covered, from basic science to clinical knowledge in general surgery as well as the surgical subspecialties.
