As Congress and the Obama administration prepare to reauthorize the Elementary and Secondary Education Act (ESEA), high-quality research is not informing the process. In May of 2010, the U.S. Department of Education released six research summaries in support of its "Blueprint for Reform" – its proposals for ESEA reauthorization. NEPC asked experts in each of the six areas to review these research summaries, and those reviews find that the research cited by the Department does not ...
