Toxic Charity captures this divide in writing that is perceptive and prophetic, even if not always persuasive. Lupton tells of the church in Mexico that was painted six times by six groups one summer, the gift-giving program that left the fathers of children feeling emasculated and inadequate, and the tile floor in a Cuban seminary that was inexpertly laid by novice volunteers as skilled local laborers were left without work.

Toxic Charity: How Churches and Charities Hurt Those They Help

Toxic Charity My thought is that the Church has forsaken its responsibility and passed that responsibility onto the government. So, I figured these two books were just another way that the Church was passing off its responsibility to be the positive change agent of the world with more high sounding theological rhetoric as we subtly pass the baton of ministry with the poor onto some other institution.

Toxic Charity, When Helping Hurts? - Mustard Tree Ministries

A final sign your church is toxic is that no one takes responsibility. Instead, people just blame everyone else. You can blame the culture, the pastor, the leader or anybody, but until you take responsibility, things will never get better. Blame is the opposite of responsibility.
